

Tempting Cherry

Jenna is front and center holding a tempting cherry, which Tank is reaching for, smiling. Her friends fill out the artwork, each with knowing/smirking looks of amusement.

BACK TO BACK

Jenna and Tank are back to back, with Tank looking at her suggestively, eyebrow arched, and holding a single rose (white for virginity?). Jenna is trying stay in control, legs together, either biting her hand in frustration, or hand to face in uncontrolled attraction. Kelly and Tara are amused and seductive, as usual. *Variation:* Kelly or Tara (or both) peer sexily over the top of designer sunglasses, as Jenna tries to avert her eyes.

YOU CAN'T COME IN

Jenna does her very best to keep the door closed on Tank and temptation, while Kelly and Tara pull hard in the opposite direction. On the other side of the door Tank leans nonchalantly, looking amused and as charming and sexy as ever— or alternately can be trying to enter.

THE LOVE SEAT

Jenna and Tank sit together on a love seat. Tank is turning on the charm with his arm around Jenna, but she is torn between desire and self-control, sitting on the far side of the seat. Jenna bites her hand, hoping for the strength to resist. Kelly and Tara, standing behind the couch, seductively drape themselves over Tank.
